

# DMARIE+CO

We're committed to your health & safety.

Here are some precautions we can all take to help lessen the dangers of the Coronavirus.

## WASH YOUR HANDS

for 20+ seconds (sing happy birthday!) with soap and water.

## COVER YOUR MOUTH

when coughing or sneezing. Make sure to dispose of tissues.

## AVOID CONTACT

with people that are sick. (You probably do anyway.)

## DISINFECT ITEMS

in your office you use regularly like your laptop and phone.

## DON'T TOUCH

your face. We keep it clean here but germs can still sneak in.

## STAY HOME

if you're feeling sick. (We have a feeling you'll still be connected!)
